1. Duplicated a TPO weekly chart. After removing TPO Profile study, chart only shows weekly volume profile.

2. Next I change, the chart setting to use candlesticks, historical chart bar period to week

| Date Range In File (yyyy-mm-dd): 2014-12-17 to 2016-01-08 • Use Number Of Days To Load | Historical Chart Intraday Chart Bar Period: Bar Period | | • | Historical Chart Bar Period: O Days: 1 Weekly Monthly Quarterly | |
